# MAY - AUGUST 2024 PLAYER DEVELOPMENT CAMPS

**Camp Duration Options:** 2, 4, 6 or 8 weeks  
**Mid 2024 Season:** 12 May – 01 September 2024

## What You Can Expect from this Camp

### ➤ Full-time Training

Our Academy programme mirrors the frequency and intensity of Super Rugby team training in New Zealand.

### ➤ Game Experience

All players will represent Inside Running Academy in local 7s and 10s Tournaments during January and February.

### ➤ Skill Development

We have a huge emphasis on skill development at Inside Running Academy and players are exposed to some of New Zealand's leading coaches. We focus on learning through a specialised micro skills session three times per week and a dedicated field-based skills session three times per week, where learning is delivered through games-based activity.

### ➤ Strength & Conditioning

Our S&C programme concentrates on functional movement coaching before increasing load. Our first goal is to get all players moving effectively in the gym before we add load to build strength and power. All players are tested across key S&C measures at the start of their Academy stay, and then again at the conclusion.

### ➤ Leadership & Personal Development

We develop leadership skills by first breaking down the barriers, getting players out of their comfort zone and building a safe environment where everyone feels like they belong and can be themselves. We then start to challenge players to develop their leadership skills through Academy training activities.

### ➤ Education

All players will attend workshops on Mental Skills, Game Review, Performance Analysis, Sports Nutrition and Injury Prevention & Recovery.

### ➤ Continued Development

All players are required to develop a plan as to how they are going to continue to develop their rugby when they return home. This is our key point of difference, as we see attending Inside Running Academy as just the start of the player's development journey.

### ➤ Live the Dream!

Live the life of a full-time professional rugby player in Mt. Maunganui, New Zealand.
